

Sprint Review 2 - Virtual Pet Calendar

Sprint Start: 10/25/2023

Sprint Completion: 11/7/2023

Revision Date: 11/7/2023

- **Actions to stop doing:**
 - Missing communication outside meeting time
 - Not documenting meeting progress
- **Actions to start doing:**
 - Definition of done. Implement requirements to complete user story
 - Add defined coding guidelines and unit testing for new components
 - Add more pair programming sessions to tackle more complex user stories
- **Actions to keep doing:**
 - CI on github
 - Group work sessions
 - Researching new technologies and integrating them
- **Work completed/not completed:**
 - **Completed:**
 - Adding calendar events and tasks to the webpage
 - Creating firebase user login for saved user cookies
 - Linking database for fixed items
 - Set groundwork for currency and shop items
 - **Not Completed:**
 - Adjust UI on pages
 - Pet display
 - Task difficulty setting
- **Work completion rate:**
 - User stories completed: 1
 - Ideal Work Hours Completed: 16.5
