# Sprint Review 1 - Virtual Pet Calendar
Sprint Start: 10/11/2023
Sprint Completion: 10/24/2023
Revision Date: 10/26/2023

- **Actions to stop doing:** Stop being passive about delegating tasks without specific goals. Stop waiting for other group members to reach out first.

- **Actions to start doing:** Having a thorough sprint plan with listed requirements and goals for each story. Properly delegating tasks that are directly influencing the product release at the end of the sprint. Have a scrum meeting at the beginning of each meeting in order to discuss the current progress and future tasks to be completed by each team member.

- **Actions to keep doing:** Keep having the 10am Scrum meetings. Continue having group working sessions.

- **Work completed/not completed:**
  - Completed: Setup github repository with pr system. Created a first draft of the UI in figma. All routes for the website have been implemented into the backend. Google OAuth2 login and getting events from Google Calendar API.
  - Not completed: Properly displaying daily calendar on the home page or the figma UI on the other pages

- **Work completion rate:**
  - User Stories Completed: 1
  - Ideal Work Hours Completed: 11
